SUMMARY

My name is Hardik Rathod. I am looking for an Oppurtunity to join a company that will help me develop my Skills, expand my Knowledge and realize my potential. I am intrested in expanding opportunities that can help me.

MY PROJECTS

1. E-Commerce Web App

React.js, Redux, Node.js, Express.js, SQL Server

- Built a fully functional e-commerce site with product listing, cart, and checkout features
- Connected backend APIs with SQL Server to store and retrieve product and order data

2. Portfolio Website

HTML, CSS, JavaScript, React.js

- Created a responsive personal portfolio with project showcases and a contact form
- Integrated contact form with backend to save data in SQL Server and send email notifications
